NEXT-GEN PLANT-BASED DELI SLICES

new!

What do our new plant-based Turk'y and Ham deli slices taste like? In a word: meat. They taste like meat. While some plant-based meats taste meat-adjacent, these deli slices are complete meat imposters. From aroma to taste to texture, your customers will think they just sunk their teeth into a piece of turkey or ham. For meat eaters and meat missers, it's love at first bite.
